The Pure has stunning cut away handles further enhancing the streamlined aesthetic alongside soft close hinges for peace of mind.

Designed with attention to detail, the Pure fitted furniture range offers an impressive array of units to meet your specific requirements. Whether you require a vanity unit, a back to wall WC unit, units with drawers or even tall storage units, our range provides a solution for every need. Finish the furniture run with plinths and end panels for a polished look.

Scribe Fitted Furniture

10 Year Guarantee • Bespoke Units • Handleless Design

Practical and design-led Scribe collection features a slab front fascia with an integrated J-Pull handle for a clean, uncomplicated finish. The new undercut J-pull style offers the added benefit of greater practicality compared to standard J-pull furniture, as it accumulates significantly less dust. Standard and slim depth unit options are available.

Alongside floor units, a full height unit and wall cupboards there are also coordinating bath panels to complement the furniture ([Page 82](#)).

Available in three subtle finishes, Scribe offers multiple cabinet options, including tall storage and drawer storage, allowing you to create your ideal bathroom scheme.

Natural Stone-like Finish • Can be cut to any size/shape • Factory finished front & ends supplied • 3mm edge profile

The range of solid surface worktops combines a seamless style with the look and feel of real stone. The natural stone-like beauty of the solid surface finish makes them a perfect choice for your bathroom.

Solid surface worktops are completely solid and can be easily cut to whatever size or shape your bathroom demands, with no need to bond on finishing strips. Simply cut to the desired profile and sand the edges to a fine finish. Adhesive is also available for joining longer runs or corner installations.

Hydrostep Herringbone

Herringbone Wood Plank Range

14 Planks Per Box - 600 x 150 x 5.5mm - 1.26m²

The interlocking design of the 5G Hydro Step Herringbone planks provides stability and minimizes movement, reducing the risk of warping or buckling.

Hydrostep Herringbone planks are designed with an ease of fitting in mind. The box contains 14 planks each labelled A or B, one specifically for the left hand and one for the right.

This allows you to seamlessly fit the planks without needing to carry out any awkward cutting and eliminates visual errors.

Shower Enclosures

- 2000mm High
- 6mm Toughened Safety Glass
- Modular Shower Enclosure
- Lifeshield™ Glass Protection
- Easy Installation
- Suitable For Corner, Recess Or Three-Sided

Compatible with Divera Pivot, Straight Sliding, Sliding Corner Entry and Bifold doors. Fits either side and can fix to the door or an inline panel.
For 3-sided installations, 2 matching inline-to-side panel brackets are required.

Inline panels are compatible with all Divera doors and side panels, and can be fitted on one or both sides. To connect an inline panel to a side panel, a matching inline-to-side panel bracket is required.

Manufactured From Mild Steel • High Quality Finish • Fuel Type: Electric

Features a fully integrated thermostat with multiple intelligent modes:

- Comfort mode maintains your set temperature
- 12/24-hour timer automatically renews it at chosen intervals
- Boost mode delivers maximum power for two hours
- Open window detection pauses heating to prevent energy waste
- Baby Care mode limits output to 70% for a gentler, safer warmth

Wastes & Traps

Complement our stunning tap ranges perfectly with our stylish bottle traps and collection of wastes. Most taps are supplied with a waste, but those that are not we have a wide range of styles and colours. Bath taps are not supplied with wastes as these are generally supplied with your bath. However, we have a choice of bath wastes with overflow in 2 different lengths depending upon your installation requirements. If your basin is wall hung choose our modern chrome trap or the more traditional styled version to complement your taps perfectly.

Click
Universal click basin wastes are suitable for a variety of basin types. The waste body is comprised of two parts making it adjustable in depth.

Open
Universal open basin wastes have a fixed open waste cover which ensures water flows from the basin at all times. Suitable for basins without an integrated overflow.

Sensor Flush Plates

Replaces push button with a sensor

Touch Sensor Dual Flush Plate

Recommended: Furniture/Low Height Installations

- Touch operated to prevent inadvertent use
- Powered by 4 x AA batteries (easy to change)
- Low battery alarm (battery life in excess of 1 year)
- Dual flush
- Manual override flush
- Illuminates on operation

Contactless Sensor Dual Flush Plate

Recommended: In-Wall Installations

- Contactless flushing
- Powered by 4 x AA batteries (easy to change)
- Low battery alarm (battery life in excess of 1 year)
- Dual flush
- Manual override flush
- Illuminates on operation

Contactless Flush Remote Sensor Kit

Recommended: Concealed Cisterns In Furniture

- Hygienic - Provides a touchless flush
- Powered by 4 x AA batteries
- Low battery alarm (battery life in excess of 1 year)
- Dual flush
- Works through surfaces up to 25mm thick (including ceramic tiles, fascias & worktops)

Use on wall hung frames and In-wall cistern (not compatible with slim depth furniture).

FB06299

£199.00

Use on wall hung frames and In-wall cistern (not compatible with slim depth furniture).

£199.00

Includes Black, Brushed Brass, Chrome & Gunmetal 'buttons' to indicate sensor location.

FB06297

£178.00

Sensor Flush Plates

Close Coupled Sensor Flush Kits

With a simple wave of the hand, hygienic, contactless flushing is now here for close coupled WCs. Two sizes are available depending on the size of the flush button hole in the cistern lid. The button kits have been designed to retro-fit to existing WCs which have paddle operated flush valves. For cisterns which have pneumatic or cable operated flush valves, or where the button screws in directly to the flush valve, then the flush valve will also need to be swapped to our **FB08616** valve which has a 2" base.

NEOPERL

NEOPERL® SOFT TOUCH AERATOR

For a splash-free stream with water saving technology and easy clean silicone constructing that eliminate lime & scale build up.

KEROX

Kerox® Ceramic Cartridge

Equipped with the highest quality Kerox ceramic cartridge to ensure outstanding leak-free performance. Passed 500,000 life cycle test over twice the WRAS requirements and seven times the European Norms.

Premium Taps

With Cold Start Technology

One of the most innovative features of our Premium taps is the Cold Start Technology cartridge.

This feature ensures that the tap only delivers cold water when operated from the default center position. As the user moves the handle towards the hot side, the hot water starts to flow.

This technology saves energy and money by using hot water only when needed, making it environmentally friendly and cost-effective for consumers.

You can enjoy significant cost savings on fuel over the lifetime of the tap, making it a smart investment for any household looking to reduce their energy costs and environmental impact.

Trojan Aquair Whirlpool Baths

Why choose Aquair?

Trojan's range of outstanding Aquair whirlpool baths offer the same exceptional quality you've come to expect from Trojan with the added features of a relaxing spa experience.

All components of the whirlpool baths are produced by Kohler, a world renowned expert in whirlpool design and technology. Water is drawn from the bath and forced back through jets.

All whirlpool systems include 'child safety suction'!

Tested to: BS EN 12764:2004+A1:2008.

Quality Assured

By choosing an Aquair system on a Trojan bath there is no third party handling. Trojan control the entire manufacturing process and the fitting of the system itself. Trojan provide their own dedicated service van to ensure that they can provide a prompt and professional after sales backup.

All Trojan baths are factory tested and approved. Trojan test each one of their whirlpool baths under normal working conditions for 40 minutes and then a 20 minute standing period.

Each component part that makes the systems is 100% quality assurance checked prior and during the installation onto the bath by fully trained and approved operators.

All Trojan baths are 100% quality assurance checked at every stage of production prior to any system being fitted.

Pop up waste and overflow supplied & fitted as standard.

2 year guarantee on all systems.

Trojan Only Use Premium Grade Baths In The Production Of Their Whirlpool & Spa Systems

Each Trojan Bath Is Individually Boxed

Trojan Aquair Whirlpool Systems

Available Systems

Pop up waste and overflow supplied & fitted as standard.

Trojan offer a variety of systems which can be upgraded to include a number of different options, including a heated blower, offering an even longer relaxing experience.

Terms & Conditions

RETURNS PROCEDURE FOR SURPLUS GOODS

A restocking charge of 25% or a minimum of £25.00 will apply to products that are surplus to requirements. Once reported, a collection request form will be emailed to you. Collection will not be made until the form is completed and returned.

Goods can only be returned providing:

- 1) They are perfectly packaged in their original condition.
- 2) They were supplied less than four weeks ago.
- 3) They were not a special order.

Goods Will Not Be Collected Unless A Delivery Is Being Made

RETURNS PROCEDURE FOR DAMAGED GOODS

All damages must be reported in writing within five days. Once reported a collection request form will be emailed to you. Collection will not be made until the form is completed and returned.

The following condition will apply:

- 1) Goods will be thoroughly inspected and credit will only be given if it is a genuine fault.
- 2) Goods Will Not Be Collected Unless A Delivery Is Being Made.

PLEASE NOTE

Baths & Shower Trays Must Be Thoroughly Inspected Upon Delivery. Claims For Damages After That Will Not Be Entertained.

GENERAL TERMS

New Customers

First orders from new customers should be accompanied by two trade references and a Bank Reference and will be Cash on Delivery until the Credit Account is cleared.

Prices

Orders are only accepted by us for execution at prices ruling at date of dispatch. In the event that there is a pricing error in this pricebook, we will not be bound to honour any orders at that price.

Payment

Payment is due as agreed terms i.e., Monthly - by the 30th of the month following delivery date or C.O.D.

Deliveries

Deliveries are subject to available stock and all delivery dates are approximate. Our best endeavors will be made to deliver within the specified period, but no liability for failure to do so can be accepted by us.

Our driver will need assistance with large or heavy items. All goods must be inspected upon delivery.

We strongly advise that you do not book plumbers until your goods have arrived and have been checked. We are not liable for any plumbers costs or compensation in any way.

Claims

Claims for shortages or non-delivery of goods must be made on receipt, otherwise claims cannot be entertained. Claims for damage in transit must be made on receipt of goods. All products must be fully inspected before installation. Any claims for damages or refitting costs after installation will not be entertained.

Carriage

Orders under £150 will be subject to a carriage charge. The carriage charge will be dependent on what products are ordered.

Products

All Products are subject to availability. If the Product you Order is unavailable, Formula Bathrooms may provide you a near as possible substitute of equivalent quality and price without notice ("Substitute Product").

In the event that we are unable to supply the Product or any substitute Product to you at all, Formula Bathrooms shall notify you as soon as possible.

Any samples, drawings, descriptive matter or advertising issued by the Supplier and any descriptions of the Goods or illustrations or descriptions of the Services contained in the Supplier's catalogue's or brochures are issued or published for the sole purpose of giving an approximate idea of the Services and/or Goods described in them. They shall not form part of the Contract or have any contractual force.

Guarantee

All goods are carefully tested and inspected before dispatch. Should any goods prove defective with regards to workmanship within 12 months after dispatch, same would be replaced free of charge providing our inspection confirms that the claim is valid.

No responsibility, however, can be accepted for consequential damages arising out of any such claim. For the avoidance of doubt, if the manufacturer becomes insolvent you accept that the additional guarantee is lost.

Cancellation Of Orders

Orders accepted by us cannot be cancelled without our written consent, and cannot be cancelled once the order has been dispatched. Special orders cannot be cancelled.

Compatibility

All shower enclosures, especially quadrant enclosures, must be checked for Compatibility with the shower tray before the shower tray is fitted. Any costs incurred due to error will not be covered by us.
